July 2021

Dear Unit Member,

I am sure you are well aware that Judy Lundy, the immediate past president, has passed away. Judy was a dynamic person who was passionate about education and the B'Nai B'Rith Educators Unit. Even though she was retired, Judy continued to volunteer at the CASA office staying active and in touch with her colleagues. As for her commitment to our unit, Judy was a great mentor to me. She was a fantastic sounding board who offered encouragement. Judy will be greatly missed by all who knew her.

In order to memorialize those who we have lost, please keep an eye on your postal mail for information about this year's Memorial Booklet. This has always been a great fundraiser for our unit in the past. A copy of the form has been attached to this email.

You should also be receiving mail from B'Nai B'Rith International in the near future to renew your membership. As mentioned in my last newsletter, our membership has declined over the years, so in order to continue as a unit, I am requesting that you complete the paperwork and return it once it is received. I have also added the link if you would like to renew online.

In addition to watching your postal mail, keep your eye on your email for information about a walking Mural Arts Tour in the fall and a theater event at the Kimmel Center in the spring.

Don't forget to mark your calendars for the Awards of Excellence Brunch on November 7, 2021. I hope to see you all then.

I would like to thank Renee Flehinger for filling the position of counselor on the Executive Board.

Stay safe,
Suzanne Newman
